## **CONNECTICUT WEALTH MANAGEMENT NAMED AS A FINALIST FOR HARTFORD BUSINESS JOURNAL 'BEST PLACES TO WORK' AWARD PROGRAM**

**FARMINGTON, Connecticut—February 28, 2020—**[Connecticut Wealth Management, LLC](#) (CTWM), a registered investment advisor committed to creating genuine partnerships with clients in order to provide unbiased financial planning and asset management, today announced the organization was recently named as one of the Best Places to Work in Connecticut. This annual program was created by the Hartford Business Journal and Best Companies Group.

“Being named as one of the best places to work in the greater Hartford region is a significant achievement for Connecticut Wealth Management,” said President and CEO, Kevin C. Leahy. “This recognition is a meaningful way to celebrate the culture we have created together.”

This survey and awards program was designed to identify, recognize and honor the best employers in Connecticut, benefiting the state’s economy, workforce and businesses. The list is comprised of 41 companies split into two categories: 27 small- to medium-sized companies (15-199 employees) and 14 large-sized companies (200 or more employees). Connecticut Wealth Management has been named to the list in third place within the small- to medium-sized company category.

To be considered for participation, companies had to fulfill the following eligibility requirements:

- Be a for-profit or non-profit business or government entity;
- Be a publicly or privately held business;
- Have a facility in Connecticut;
- Have at least 15 employees in Connecticut;
- Be in business a minimum of one year.

Companies from across the state entered the two-part survey process to determine the Best Places to Work in Connecticut. The first part consisted of evaluating each company’s workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in Connecticut, analyzed the data and determined the final rankings.

The ranked companies were recognized at a special awards ceremony on February 27 and the actual rankings will be published on March 9 in the Hartford Business Journal.
