Connecticut Wealth Management, LLC Named Best Places to Work in CT

February 3, 2017 (FARMINGTON, CT) – Farmington-based registered investment advisor, Connecticut Wealth Management (CTWM), was recently named as one of the Best Places to Work in Connecticut. This twelfth annual program was created by the Hartford Business Journal and Best Companies Group.

This survey and awards program was designed to honor the best employers in Connecticut, benefiting the state's economy, workforce, and businesses. The list is made up of 40 companies split into two categories: 26 small/medium-sized companies and 14 large-sized companies. Connecticut Wealth Management has been named one of this year's Best Places to Work in Connecticut in the small/medium or large category.

"We are all very proud of what we have created here – an environment that allows teammates to enjoy the great relationships that they build with each other and our clients. Our employees feel fulfilled, rewarded and empowered - a strong combination," said President and CEO Kevin C. Leahy, CPA, CFP®.

To be considered for participation, companies had to fulfill the following eligibility requirements:

- Be a for-profit, not-for-profit business or government entity;
- Be a publicly or privately held business;
- Have a facility in Connecticut;
- Have at least 15 employees in Connecticut;
- Be in business a minimum of 1 year.

Companies from across the state entered the two-part survey process to determine the Best Places to Work in Connecticut. The first part consisted of evaluating each company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in Connecticut, analyzed the data, and determined the final rankings.
